

San Francisco Clean City Coalition Job Announcement

Job Title: Lead Sweeper/Crew Supervisor
Reports to: Clean City Partnership Manager
Work Schedule: Part-time, 30 hours per week, flexible as needed
Pay Rate: Depending on Experience

The Clean City Coalition (Clean City) is a non-profit organization that promotes and supports cleaning, greening, and beautification activities throughout San Francisco.

The Clean City Partnership Program, a program of the San Francisco Clean City Coalition, provides transitional employment as a critical bridge for low-income and homeless individuals striving to rejoin the workforce. Program participants are paid an hourly wage to perform community improvement activities such as street sweeping, graffiti removal on public property, and neighborhood greening.

Job Responsibilities

The Lead Sweeper/Crew Supervisor performs the following job-related tasks:

- Daily supervision and training of crew participants to meet route standards and requirements
- Responsible for upkeep of all equipment and cleaning supplies
- Daily supervision of route standard rules
- Scheduling and assigning participants to routes (rotating as needed)
- Inspecting routes and tracking crew performance
- Ensuring safety policies and procedures are followed
- Reporting illegal dumping and other hazards
- Coordinating with Employment and Training Manager for job readiness program
- Other duties as needed

Applicants must have clean driving record and DMV print-out to apply.

Prospective candidates will be asked to take a pre-employment drug test before hiring.

Please submit resume, cover letter, and DMV print-out to:
